# *Remember*

Remember me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.

Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

Members of the Class of 1969, you have now completed your public education. Your Superintendent wishes to extend his congratulations to you as a graduate of Mohawk High School.

Be master of yourself, of your thoughts and imagination and temper and passion. Hold all absolutely under your willpower. Allow no thought nor deed to injure your mind or body. We are proud, and you should be proud, that you are a Mohawk graduate.

You are invited and always welcome to return to Mohawk. Your school will continue to offer services to you whenever requested.

Best wishes,

James W. Smith
Superintendent

During the past four years, while you have been preparing for the future, radical changes have occurred that have affected the society in which you will live. You have been supplied with the most up-to-date knowledge available. Now it is time for you to establish the principles that will gude you in the years ahead.

Your future can be most interesting and exciting. It could also be a very frustrating one. The outcome depends on you--on how well you establish these principles and on your determination to live by your principles.

Richard A. Verhoff
Assistant Superintendent

You have completed a short trip on your long journey of life. Some of you have gained numerous awards during your four years at Mohawk and yet many of you have gone through the years with little or no recognition. You have only the satisfaction of knowing that it was a job well done. However, don't be content to rest on past performance. Remember, it is not what you have done that is important but rather what you will do.

Each of you has brought credit to Mohawk High School, its faculty and administration as well as your parents, as graduates. We remain always ready to serve you in any capacity that will enable you to attain those goals which you have set for yourself.

Fred D. Williams
Principal

# *Senior Presents*

The Senior Class presented a situation comedy, "Off the Tracks," on November 15 & 16. This comedy presented a group of zany characters stranded in an out-of-the-way railway station.

The excitements of the evening included a trainwreck, a flooding rainstorm, an interesting game of "Who's It," a mock trial on the loss of a string of pearls, and the release of the bag of white mice.

The combination of these incidents and the personalities of these characters produced an enjoyable evening for the audience.

# MYTH GOES MOD

The sixty-two members of the Latin I and Latin II classes observed Mohawk's tenth Latin Week activities on February 10-14, using as their theme for the week, "Myth Goes Mod."

The agenda began on Monday with the traditional slave auction, with Ned Gregg officiating at the slave block; the dine-in on Wednesday evening, ushered in with the procession of the boar's head; and the assembly program on Friday for the entire student body.

Along with the Latin Chorus, the program included a short patriotic skit, "Cicero Walks with Washington and Lincoln," and the Latin Laugh-In, an original skit written by a committee of Latin II students. The final scene featured pie in the eye and a dozen roses for Mrs. Brandt, the Latin Teacher.

National School Choral Award

The Mass Chorus is a combination of the Mixed Chorus and the Select Choir. This group gives the Vocal Department a large group with which to perform works which require a bigger than average chorus. It also affords all the students taking choir a chance to work with each other.

The Mass Chorus participated in the Fall, Christmas, and Spring concerts this past year. In the Spring Concert the group presented "From Sea To Shining Sea" accompanied by the Symphonic Band.

The members attend music class during the week with Mr. Cassidy as their instructor. They then meet as a group during third periods a few weeks before they perform. The chorus participated in the Fall, Christmas, and Spring Concerts.

# *Ensemble Sings In Community*

The Mohawk Ensemble traveled to many of the community churches and organizations throughout the year expanding the school's music program beyond the school itself. Members of the Ensemble represented our high school vocal department at the annual District II Festival.

The Ensemble is a group which has a desire to go beyond the call of the Mixed and Select Choir. Rehearsals are held three mornings a week at 8 A.M. under the direction of Mr. Cassidy.

*COACHES:* Seated: Head Coach - Mr. Robert Howser. Standing Left to Right: Mr. Robert Jaeck, Mr. Robert Johnson.

Our 1968 football season at Mohawk was first met with disappointment at Pleasant. However, the following week brought us an exciting second half against Wynford when we came from a 12-0 deficit to win 18-12 in the last seconds of the game.

The confidence and team spirit gained from this game gave our team a boost which led us to a successful 4-3-2 season after being picked to finish last in the conference.

Our last two ballgames matched us with the first and second placed teams in our league. Our determined squad proved its place in a close and exciting game with Riverdale and a tie with Carey.

Among our 19 lettermen we were fortunate to have an All Ohio fullback, Verne Shellhouse. We hope this tradition will be followed by other Mohawk ball players of the future.

Our 36 squad members of 1968 will long be remembered for their hard work, exciting ball games, and most of all that never-die attitude. With a core of 10 returning lettermen we look ahead to a successful 1969 season.

Success is an essential part of learning, however, a great many lessons can be learned without it. This group of boys were deprived of winning in basketball this season, but this does not detract from all of the other good things that came out of competition. To the credit of this group, they refused to get discouraged and continued to try to improve. To the Seniors "Good Luck"--To the underclassman, we're already looking to next season.
